

| Item | EnglishName                                | Qty |          |
|------|--------------------------------------------|-----|----------|
| 1    | čep hadičky (Spray spigot)                 | 1   |          |
| 2    | zástrčka čepu (Spray plug)                 | 1   |          |
| 3    | šroub (Screw ST4.8*20)                     | 21  |          |
| 4    | šroub (Screw ST3.5*13F)                    | 13  |          |
| 5    | podložka (big washer $\varnothing$ 6)      | 2   | optional |
| 6    | otočný držák (rotary handle)               | 1   |          |
| 7    | šroub (ScrewM6X20)                         | 2   | optional |
| 8    | štítek (rating label)                      | 1   |          |
| 9    | krytka (water outlet cover)                | 1   |          |
| 10   | náprava (axle)                             | 1   |          |
| 11   | kolečko (wheel)                            | 2   |          |
| 12   | podložka (flat washer)                     | 2   |          |
| 13   | poklice kola (wheel cover)                 | 2   |          |
| 14   | segerova pojistka (external circlip)       | 2   |          |
| 15   | deska (Waterproof board)                   | 1   |          |
| 16   | podložka (Screw,ST3.5X16)                  | 2   |          |
| 17   | skelet kondenzátoru (Capacitor box)        | 1   |          |
| 18   | kondenzátor (Capacitor30UF)                | 1   |          |
| 19   | průchodka (Capacitor sheath)               | 1   |          |
| 20   | podložka (Sawtooth washer $\varnothing$ 4) | 1   |          |
| 21   | podložka (Spring washer $\varnothing$ 4)   | 1   |          |
| 22   | šroub (Screw,M4X8)                         | 1   |          |
|      | 1800W motor                                | 1   | optional |
|      | 2000W motor                                | 1   | optional |

|    |                                          |   |          |
|----|------------------------------------------|---|----------|
|    | 2200W Motor                              | 1 | optional |
| 23 | 2500W Motor                              | 1 |          |
|    | Alum. Pump                               | 1 |          |
|    | Brass Pump                               | 1 | optional |
| 24 | deska čerpadla (Pump base)               | 1 |          |
| 25 | šroub (Screw, M5X18)                     | 2 |          |
| 26 | silentblok (Damping ring)                | 4 |          |
| 27 | průchodka kabelu (Power cord sheath)     | 1 |          |
| 28 | kabel (Power cord ass'y)                 | 1 |          |
| 29 | přední kryt (Front housing)              | 1 |          |
| 30 | maska (front housing decorative sheet)   | 1 |          |
| 31 | zátka (water inlet tube sheath)          | 1 |          |
| 32 | redukce k hadici (Inlet water nut ass'y) | 1 |          |
| 33 | uložení pistole (Gunstock)               | 1 |          |
| 34 | uložení trysky (turbo nozzle hanger)     | 1 | optional |
| 35 | tryska (low pressure nozzle)             | 1 | optional |
| 36 | 40° tryska (nozzle)                      | 1 | optional |
| 37 | 0° tryska (nozzle)                       | 1 | optional |
| 38 | 15° tryska (nozzle)                      | 1 | optional |
| 39 | tryska (25° nozzle)                      | 1 | optional |
| 40 | držák trysek (nozzle fixed sheet)        | 1 | optional |
| 41 | turbo tryska (turbo nozzle)              | 1 | optional |

|    |                                       |   |          |
|----|---------------------------------------|---|----------|
| 42 | bajonet (turbo lance)                 | 1 | optional |
| 43 | bajonet (YLG060.4 quick lance)        | 1 | optional |
| 44 | bajonet s tryskou (Spray lance YLG06) | 1 |          |
| 45 | krytka tlačítka (switch cover)        | 1 |          |

|    |                                         |   |          |
|----|-----------------------------------------|---|----------|
| 46 | tlačítko (ON/OFF Switch)                | 2 |          |
| 47 | maska spínačů (Switch deck)             | 1 |          |
| 48 | pistole (Spray gun YLG06)               | 1 |          |
| 49 | madlo (handle)                          | 1 |          |
| 50 | segerova pojistka (split washer)        | 2 |          |
| 51 | ventil (Three way valve sheath)         | 1 |          |
| 52 | pojistka (U pin)                        | 2 |          |
| 53 | gumový kroužek (rubber mat)             | 1 |          |
| 54 | o-kroužek (O-ring11.2X2.65)             | 1 |          |
| 55 | ventil (Three way valve)                | 1 |          |
| 56 | o-kroužek (O-ring7.5X2)                 | 1 |          |
| 57 | šroub (Screw M8*10)                     | 1 |          |
| 58 | bok navijáku L (left flange)            | 1 |          |
| 59 | cíka na hadici (hose reel hub)          | 2 |          |
| 60 | spona (clip)                            | 1 |          |
| 61 | hadice (8m steel wired rubber hose)     | 1 |          |
| 62 | bok navijáku P (right flange)           | 1 |          |
| 63 | šroub (screw ST4.8X16)                  | 5 |          |
| 64 | hřídel kličky (wheel rocker)            | 1 |          |
| 65 | rukojeť kličky (crank sheath)           | 1 |          |
| 66 | šroub (screw ST4.2X25)                  | 1 |          |
| 67 | uložení navijáku L (left binder plate)  | 1 |          |
| 68 | klička (rocking handle)                 | 1 | optional |
| 69 | uložení navijáku P (right binder plate) | 1 |          |
| 70 | tlumící deska (baffle)                  | 1 |          |
| 71 | držák pistole (gun holder)              | 1 | optional |

|    |                                          |   |          |
|----|------------------------------------------|---|----------|
| 72 | zadní skelet (rear housing)              | 1 | optional |
| 73 | nádoba na saponát (detergent tank)       | 1 | optional |
| 74 | víčko nádoby (tank cover)                | 1 | optional |
| 75 | štítek (warning label)                   | 1 | optional |
| 76 | hadice (soft tube)                       | 1 | optional |
| 77 | tlak. hadice (inner pressure hose)       | 1 | optional |
| 78 | zátka (waterproof cap)                   | 4 |          |
| 79 | kryt spínače (switch cover)              | 1 |          |
| 80 | tyčka spínače (button pole)              | 1 |          |
| 81 | spínač (switch)                          | 1 |          |
| 82 | skelet spínače (switch box)              | 1 |          |
| 83 | ventil (detergent valve sleeve)          | 1 |          |
| 84 | pružina (spring)                         | 1 |          |
| 85 | pin                                      | 1 |          |
| 86 | o-kroužek (o ring5x2)                    | 1 |          |
| 87 | o-kroužek (o-ring20x2)                   | 1 |          |
| 88 | deska ventilu (detergent valve plate)    | 1 |          |
| 89 | šroub (screwST3X12)                      | 4 |          |
| 90 | připojení ventilu (detergent valve plug) | 1 |          |

| <b>číslo</b> | <b>englisch</b>      | <b>název</b>           |
|--------------|----------------------|------------------------|
| A1.1         | valve nut            | zátká                  |
| A1.2         | O-ring               | o-kroužek              |
| A1.3         | oulet valve assemble | ventil (1kus)          |
| A1.6         | Y-seal               | gufero                 |
| A1.7         | Inlet valve kit      | ventil pístu (1kus)    |
| A2.1         | seal bracket         | sedlo                  |
| A2.2         | piston oil seal      | gufero pístku          |
| A2.5         | micro-switch kit     | tlakový spínač elektro |
| A2.6         | chief valve kit      | ventil                 |
| A2.9         | siphon kit           | výpost. Ventil         |
| A2.10        | venturri assy        | ventil                 |
| B4           | thrust bearing       | ložisko                |
| B5           | disc                 | disk                   |
